## Individual Education Plan

Name and Year	[REDACTED]
Time Period for IEP	2015
Special Education Teachers	Michelle Yarnton (Manager)
Suggested Review	Term 2 2015

### Background

[REDACTED] has been suffering with insomnia for several years. The insomnia is becoming increasingly worse. She has been diagnosed with severe anxiety. She is sensitive to noise. She is a high achiever and very studious. However, severe fatigue has detrimentally affected her recall and ability to perform in tests situations.

**Outside specialist:** [REDACTED] (psychiatrist) and [REDACTED] (psychotherapist)

### Teacher Recommendations

[REDACTED] will have a pass out so she can rest in sick bay.

[REDACTED] has a subject reduction.

Be flexible with due dates.

### Special Arrangements

Unlimited rest breaks and a separate room.
